"Over the years, the Chicago Bulls/ Sox Academy basketball staff has conducted and implemented basketball camps for current and former Chicago Bulls players at the Bulls/Sox Academy in Lisle. Past individual player camps have featured Ben Gordon, Carlos Boozer, as well as Hall of Famer and Six-Time World Champion, Scottie Pippen. Our goal is to run a first-class basketball camp that provides dynamic fundamental instruction and offers each player the opportunity to give back to the community in a fun and inspiring way.

Since 2002, the Bulls/ Sox Academy basketball staff has also actively run a Chicago Bulls Players' Camp during two weeks in August. We provide a seamless experience from marketing to preparation for every event, striving to ensure that all players are satisfied with the professional manner each camp is executed.

OUR MISSION.

WHY WE DO IT? BECAUSE WE LOVE THIS GAME AND THE KIDS WHO PLAY IT.

The mission of the Bulls/Sox Academy is to create a fun, safe, and invigorating environment, teaching the games of basketball, baseball, and fastpitch softball, maximizing the skills, and building of self-esteem of each boy and girl with whom we have contact. We are dedicated to nurturing the athlete in every child who comes through our doors.

OUR HISTORY.

in 2001 we opened the only year-round youth player development facility in the country owned and operated by a professional team (two teams in our case). Our main location is based in the western suburb of Lisle and provides year-round camps, clinics, private lessons and training to thousands of children every year. We offer beginner through advanced basketball, baseball, and fastpitch softball programs for boys and girls ages 5-18. Year-round programs are also available at our satellite locations in LaGrange and Glen Ellyn.

The Bulls/Sox Academy utilizes the teaching philosophies from the two professional teams to develop training methods specifically designed for the boys and girls who participate in our programming. Our professional coaching staff of former collegiate, professional players and coaches has learned directly from the Chicago Bulls and White Sox coaching staff. The Academy has earned a reputation as the Mecca for the beginning, intermediate and high level training in baseball, fastpitch and basketball with the latest equipment and training techniques. If you want to be the best you have to train with the best!

OUR FACILITY.

With over 56,000 square feet and 3 maple basketball courts including a United Center replica court, this state-of-the-art athletic facility provides the kind of training that can only come from a professional team.
